MOOD:  sore

MUSIC: Sleater-Kinney - You're No Rock & Roll Fun

You should see this bruise.

I still say I could have finished the route, though.

## ...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

"sent."

Would you let \*me\* climb after a knock on the head and neck like that?

Would you let me stop you?

'Pends. When you raise Scary Medic Aspect, it's pretty impressive.

And hey, you could maybe have finished. But now you have a great excuse to go do it again. And the gang at the gym will go, "Wow, purple *and* green."

Uh-oh. I just had a thought.

Mom's going to be peeved.

Based on Mom's mostly-unexpressed level of peeve on Friday, this could be unpleasant. And when she finds out how it happened...

Ohgod, she's going to hang me out a fourth-floor window by my shoelaces.

Pray for a go. It's the Silly Season. Shirley we'll get one.

Dude? Why on earth would Mom be peeved? She knows about bruises. She also knows that I am a big girl and can earn my own.

And it's not like you DROPPED me.

Mom with two players on the injured list? Not. Entirely. Reasonable.

As a repeat offender, I will likely be Talked To.

I think this is her workplace-appropriate form of nurturing.

If I were on the injured list, this would be a problem.

I have a *bruise*.

\*looks innocently inquisitive\*

How fast can you turn your head?

Faster than you can reach your gun, right now.

Besides, aren't I supposed to be the one who hovers at you?

How's that knee? Elevated? Iced?

...

Sometimes.

Ice is cold. And boring.
